

PAVEMENT SCHEDULE

NEWS FLASH

August 9, 2017

MEASURE C

Measure C, the Larkspur Street Repair and Essential City Services Measure – implemented a sales tax to help address Larkspur’s aging and deteriorating neighborhood streets and roads.

To find out more information on Measure C visit our [Fixing Our Roads](#) page.

If you need additional information contact the City at 415-496-2401, or email communications@cityoflarkspur.org

PAVING OUR ROADS – REVISED SCHEDULE

Pavement work officially began on Monday, August 7th. Please see the schedule below for the most current work dates and locations. On dates marked with an ‘X,’ construction and traffic control will be occurring on the corresponding streets. As a friendly reminder, please review the schedule so you are able to plan your day accordingly. Kindly mind the posted dates and times on the “No Parking Signs.”

2017 - Revised Paving Schedule

“We greatly appreciate the time our residents took to give us this important feedback.” – Larkspur City Manager, Dan Schwarz

LARKSPUR RESIDENTS WANT POTHOLE RELIEF

A recently-commissioned independent survey shows residents in the City of Larkspur want the City to accelerate street, road and pothole repair as its top priority. Findings of that survey can be found [here](#).

LARKSPUR PAVEMENT MANAGEMENT

What does it take to maintain the City roadway pavement?

How are the roads prioritized for rehabilitation?

Why is “Road A” being rehabilitated but “Road B” is not?

You can find these answers and more by reading our FAQ’s (Frequently Asked Questions) on our website [here](#).
